READERS' LETTERS

Three's Better Than One!!!t

I thought the readers of Escort might like to know how my wife gets her kicks. We go out to clubs in London and sit apart from one another.

She dresses very provocatively and, looking the way she does, it's not long before someone approaches her and picks her up.

I then have to watch as she allows herself to be groped and fondled, all the while she looks over at me and smiles. When her and her new man leave together, I follow. I then have to wait outside the guy's flat while Debbie gets up to all sorts inside. It's murder.

When she finally reappears, she usually has that look about her that tells me she's been fucked good and hard. Once I had to wait in my car for four hours imagining all sorts of things.

When she finally emerged she looked shattered and I wasn't surprised to learn that there had been two other men in the flat when she arrived back there.

She then told me how she had been repeatedly fucked in every position by the three of them. This is how we have kept a fifteen year marriage alive and fun.

Her latest thing is to go up to the guy's flat and phone me in our hotel room. She then leaves the phone off the hook by the bed so that I can hear every detail of her performance.

Horny Married Slut!

Despite having difficulties reading my hubby's writing I had to stop and smile when I read the phrase "how my

wife gets her kicks".

While I openly admit to loving other guys' cocks, I feel that my husband neglected to mention that he gets an equal thrill out of encouraging me to be "a horny married slut". It's Phil who encourages me to wear short skirts that barely cover my stocking tops and tops that struggle to contain my nicely sized 34B tits.

And I didn't hear him complain when I decided to have my nipple pierced. It's Phil who buys me tight stretch lycra tops knowing full well that I have to go braless and the gold bar that pierces

my nipple pokes through the material, drawing extra attention to my tits. Having fun in clubs is only part of our "fun". For me, the biggest kick has to be having Phil present to "watch and assist" me as I'm fucked.

When I say "watch", it's about him seeing my left hand wrapped around another guy's bloated shaft. Always my left hand? Any ideas why?

The answer, because that's the hand I wear my engagement and wedding bands on. The next best thing to having a guy flood my womb with cum is to watch my hubby's face when I guy blows a heavy load all over my tits after I've just wanked him with this hand. Which brings me to Phil's final roll - to "assist" me. With no objections from Phil, I always insist he cleans my up afterward, and this usually involves me lowering

my gooey open pussy onto his eager tongue. Now that really is something special. Phil and I would welcome mail, especially from other couples, who share similar interests and lifestyles, or just from assertive confident guys.

STICKY QUICKIE DIVORCE!

My husband John invited his recently divorced friend Roger round for a drink. I've got quite a dirty mind, and the news that Roger was now single immediately got me thinking about the possibilities the evening might hold. I had always fancied Roger and wondered what it

would be like to have him lick my pussy. I decided I would have to find out, as the thought of it was getting me really turned-on.

When I returned to the room with their drinks, John noticed a rip in my stocking and said I should change them. I returned moments later to find John showing Roger his DVD collection. I bent over in front of Roger to pick a DVD up. He noticed I had no knickers on and whispered to John that he would love to see more of my pussy.

I turned around and slowly lifted up my skirt so he could get a better view. John nodded in approval and Roger wasted no time.

CHLOE

Chloe's never been a shy girl! Ever since the day we first met her all those years back when we thought she was the new office runner, with her sole purpose to bring us coffee and do some photocopying. Little did we know that she was the new girl in town, ready for the limelight, and about to strip down for our in-house photographer! "And just take a look at me now in my Calvin Klein underwear posing for the first time as you new Editor of Escort!" We feel very humble in your presence! So, what have you got planned for the magazine moving forward? "If it's not broken don't try and fix it! I'm just going to find as many girls to get their pussies out. It's as simple as that!" We couldn't agree more!

Kiss kiss, bang bang! And that's what Nicola did before she started plugging away at her vagina with her glass dildo! "You've got to lubricate it with a bit of kiss and spit before you go and stick it in there, and then the flow of pre-cum finishes off the lubrication process. After that it's race to see how quickly I can get myself off, it really doesn't take all that long if I get the rhythm right!"

REAL WIFESEX

I JUST LOVE MAKING UP DIRTY STORIES!!!

My partner, George, and I have been together for seven years and we still have a very healthy sex life, but we've had to work to keep it that way by spicing things up from time-to-time. We've indulged in a bit of everything, really – from sexy lingerie and sex toys to role-playing and DIY pornos – but we've come to realize that our favourite kink is domination, no matter which of us is in charge. We'd been using some furry handcuffs for ages, but then one day George came home with some black leather straps, lined with really soft red velvet, which changed everything! I love George to use them to tie me to the bedposts, spread-eagled, or to hogtie me, attaching my

wrists to my ankles – either way splaying me wide and exposing me completely, while he has his wicked way with me! There's a lot of trust involved – I know if I tell George to stop, ease off or untie me, he'll do it immediately no matter how horny he is, and I know that or I obviously wouldn't put myself in that position. But I've never wanted to ask him to stop! The other night he had me strapped up, wrists to ankles, with my legs spread wide apart. He wasn't inside me but he was rubbing the head of his cock against my clit, dipping it in the juices oozing out of my cunt.

I was desperate for him to push inside me and give me a proper seeing to, but he was having way too much fun tormenting me – loving the fact I was putty in his hands. My whole pussy

ached to be pounded, but he just kept rubbing away, warm pre-cum dripping from his tip, until I was begging him to fuck me, saying I'd do anything he wanted if he just gave it to me now

"Anything?" he said, grinning. In my greedy desperation to be filled, I urged, "Yessss! Now FUCK ME!"

I gasped as he rammed his thick prick inside my snatch and shagged

me so hard I felt his cock in my stomach. Gasping and groaning, he screwed me to the most amazing orgasm, and we fell asleep, my promise forgotten.

The reason I'm telling you this is because a few months later, when we were snuggled up in bed, George announced that he was collecting on the promise I'd made, totally out of the blue. I listened as he went on to explain that he'd been fantasising about watching me get fucked by another bloke, and that if I were blindfolded and had no clue who he was, it would be even more exciting. Enormously turned on, if a little surprised, I agreed readily, and when George said he already had someone in mind, my stomach did somersaults!

And that's how I came to be waiting on our bed, wearing nothing but a pair of heels and a velvet blindfold, ready for George's entertainment to begin.

"Fuck me!" I heard the bloke exclaim as he saw me for the first time.

"She will," George chuckled, and I trembled with excitement. I heard him undress, and then he took

my hand, running it over his muscular torso, down his stomach, and ending up at his crotch.

He was already hard for me, but as I curled my fingers around his shaft and started to wank him, I felt him swell up against my hand.

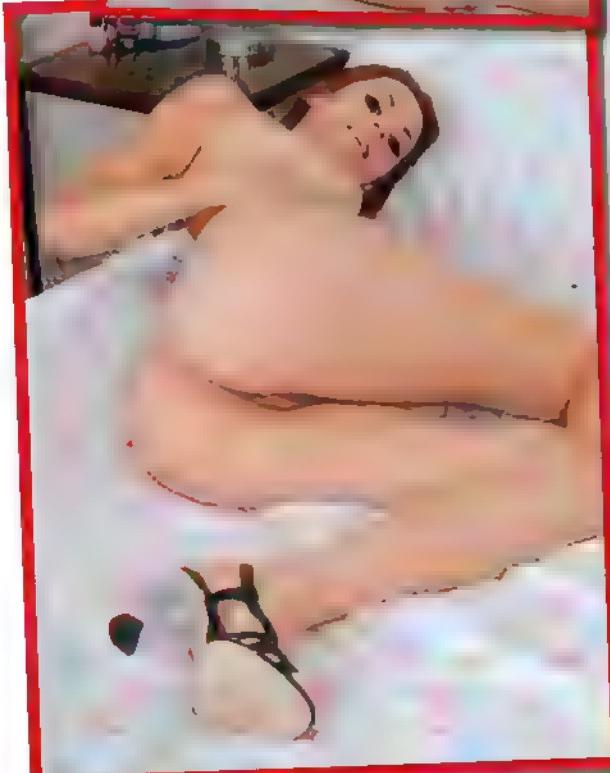

Then he was all over me, groping and sucking my tits before reaching between my thighs to cop a feel of my pussy, which was pink and sensitive from being shaved that afternoon. It was so horny not seeing what was happening to me and my other senses were in overdrive; I could hear the rustle of George undressing and the slap of his palm against his cock, as he got off on his voyeuristic fantasy scenario. The mystery man made sure I was soaking, fingering me halfway to an orgasm, before flipping me onto my front and grabbing my hips, pulling me up on all fours. He swiped his meaty sword around my slippery hole and slid it in, right down to the hilt on the first thrust. He fucked me slowly at first, roughly pulling me back to him then grinding around inside me as he reached under my body to tickle my clit.

Then he suddenly sped up, riding me hard and fast, laying playful spanks on my arse cheeks as my tits bounced and slapped together. Just as he built up a rhythm, he stopped again, obviously not wanting to cum too soon. His chest pressed up against my back sexily as he reached round to squeeze my boobs, pulling me back so I was kneeling upright, his prick still buried in my cunt as I arched against him, my nipples poking out of his fingers as he fondled my globes.

Suddenly, I became aware that George was on the bed, standing over me as he wanked. I opened my mouth and licked my lips, thinking he was after a suck, but he just seemed to want to do the job by hand.

The other guy was humping up into me by now, squeezing my tits so hard he seemed to be using them as leverage! His rhythmic pummelling soon had me screaming the place down as I climaxed, my pussy juices squelching with each thrust. Suddenly I heard him groan, and felt his whole body tense up as he pumped a big, thick load of spunk deep inside my

snatch. Seconds later, George let out a moan, and I felt his hot, sticky goo cover my face and tits as I licked it up. I kept my blindfold on until our guest had left, but George had a surprise for me; the clever sod had thought to capture the whole thing on camcorder! Naturally, we put it straight on. He shagged me doggy style as I watched myself getting fucked from behind by this stranger – it was the horniest thing ever! George won't tell me how he found this guy and I still don't know his name, but I always keep an eye out for him just in case he fancies another go!

He pulled me towards him, buried his face in my pussy and eagerly licked my clit. He worked his tongue expertly around my pussy. He nibbled at my cunt-lips and lapped at my clit, sending waves of pleasure through my body. He'd obviously licked a few cunts in his time because he was brilliant at it - God knows why his wife left him. Soon his fingers had found my by now dripping wet cunt and he slipped two fingers inside. I reached down, unzipped his trousers and took out his already hard cock.

His cock was of a healthy size, and I wanted to repay him for giving my cunt such a good licking. I stroked it sensuously up and down before taking a firm grip of it. Then I wanked him at a good pace, making him groan with pleasure.

By now John was standing beside me with his hard cock in his hand. I reached over and took it in mine. I played with John and

Roger's cocks for a few minutes and then asked John to put it in my mouth. I needed to suck him while Roger fucked my dripping pussy.

The lads made me lie on the floor so Roger could get

his cock where he wanted it and John could see me getting fucked while I sucked him off. I was in absolute heaven. I slurped my husband's cock while Roger pounded in and out of my aching pussy. I had always wanted to suck while being fucked. I was getting so turned on and horny by the proper fucking I was getting that I knew I wouldn't be able to hold back much longer.

Roger must have been feeling the same because the next minute I felt his body stiffen as he pumped my pussy full of hot sticky spunk. Roger and John changed places and I got on all fours as I licked my cunt juice and Roger's spunk from his shaft.

John hammered my spunk filled cunt till I couldn't hold back any longer. As I climaxed John filled my pussy with a lot more spunk. By this time I was well and truly fucked but the lads insisted I lick their cocks and balls clean.

Now Roger is a regular visitor and pops in for a quickie at least once a week.

Angel Showed Me Sex Heaven!

There's nothing I like more than getting my girlfriend to dress up for me and then fucking her senseless. At least four times a week I make my horny bitch Angel dress for me and show me all of what she has to offer.

One Saturday last month it was my birthday and I went out to Birmingham and bought an outfit for us both. I dressed my woman also in all black - black stockings, black suspenders, G string and tight black sheer top. At 7pm the night began. Slowly - drinking and just looking at each other - our minds began to run wild with anticipation, both knowing we were in for a hot erotic night. I made Angel dance for me, twisting and turning her hot, sexy, dirty body. She stuck out her arse and opened her legs, slowly touching herself. She was hot with anticipation, wondering when and how I would sink my tongue, fingers, face and black cock into her arse or cunt. I then made her show me her cunt from all different angles, spreading her lips apart and

The first question that comes to mind is whether Satine and Tindra are actually lesbians? "Of course not!" Satine tells us. "Just because we like to lick each other's nipples and finger fuck each other doesn't make us lesbians, it's just what girls do in their free time, like today!" Tindra adds. "Both of us would much rather have a nice hard cock, balls deep inside us." Says Satine.

The weather was great and Jess fancied a photo shoot in the garden! When we voiced concerns that any of her neighbours would have a bird's eye view of what was going on she really didn't care. "I've fucked both of my next door neighbours anyway, so they've seen it all before! They're single so I'm not causing any problems. I keep trying to get them over at the same time so that they can double team me, but I've had no luck so far, I guess they're shy in that way. Hopefully they're both watching right now and tonight will be the night!"

"Would you like me to take your readers up this stairway to heaven?" Something makes us think that if they were to follow you up there they might just end up in hell after you've finished with them! "I thought that those who confessed to their sins were forgiven and the pathway to the clouds opened up again." That's usually the case Roxi, but we've seen you in action and you might just be the exception to the rule, you're a very bad girl!

LOUISA

Wow Louisa, your eyes are so interesting! Are you wearing contacts? "Haha, I get asked that all the time! I also get guys asking if I'm super tight because apparently that's a thing amongst us Asian girls. And because I'm all cutesy and sweet most assume I'm not as wild as I am because I look so innocent. They soon find out how crazy I can be when I'm dragging them into the nearest toilet and throwing them down onto the toilet seat! Haha. Telling a guy to rip my clothes off and fuck me in public is so hot! They soon forget how innocent I look then!" Public toilets huh, where abouts would we find this latrine, we're just asking for a friend?"

An advertisement for a escort service. On the left is a blurry, low-quality photograph of a woman with dark hair, smiling. She is wearing a patterned top. The image is used as a background for an advertisement.

A woman with dark hair, wearing a white bikini top and a blue bikini bottom, is standing and holding a microphone close to her mouth as if she is singing or speaking into it. She is looking towards the camera with a slight smile. The background is blurred, suggesting an indoor setting like a club.

An illustration of a woman in a bikini standing next to a car. She is holding a cigarette in her right hand, which has a starburst effect around it. The background is a bright, sandy beach.

A woman in a bikini, smiling and holding a cigarette, advertising a phone sex service.

A woman with long dark hair, wearing a black and white patterned top and dark pants, stands next to a pink sign. The sign features large black text for 'COCK & BALL TORTURE' and 'OBEDY YOUR MISTRESS', with '35P' and 'minutia' below it. The phone number '0982 505 1605' is at the bottom.

We just love it when the sun shines and we can entice the girls outdoors for a sexy striptease! "There aren't many better feelings than having the baking hot sun beating down on your naked body, having a vibrator to hand only makes the experience even better. The only thing that tops both of them is having my boyfriend swinging his dong freely in front of me before I straddle him on the bench. What do your neighbours think about all this?" They're dirty old perverts on both sides so there's no complaints from either of them!"

CONTINUED FROM PAGE 18

I grabbed hold of the belt around her waist and forced her back and onto my cock, slapping her arse. I pulled out mid-thrust and buried my face right into her pussy, licking up every drop of her love juice.

Then I took her upstairs and chained her to the bed. I spent the rest of the night 69ing her, eating out her pussy, fingering and

fucking her doggy style. I plunged deep into her cock and arse, twisting her hips for maximum penetration. I fucked her and fucked her, whipping her arse as she moaned, groaned and screamed.

Finally I fired my salty bolt deep in her cunt, pulling out to wank into her mouth. She swallowed every drop and then licked my cock clean.

touching her clit.

Her fingers traced around it, teasing herself.

Her breathing became deeper and deeper as I told her to slip a finger up her cunt. She sighed with relief as she did so, her pussy becoming very wet.

I handed her two 12-inch dildos and ordered her to fuck herself all around the room with them.

I watched with pure excitement as she moved from one position to another, fucking herself first doggy-style and then standing up. She stuck the dildo on the coffee table and sat on it.

She rode the thick dildo until pure hot pussy juices flowed down the dildo as if she'd pissed on it.

She then stuck her finger up her cunt and brought it to her mouth. She loves tasting and smelling her pussy.

Then I gave her the vibrator and told her to stick it up her arse. She knelt down with her arse facing me and stuck it right up her lovely arsehole.

stroked my by now fully erect cock as I watched her, imagining my cock being up her tight tunnel.

She lay back and took the dildo fully up her arse, ramming it in and out as she fingered her cunt at the same time. I walked over and stuck my dick in her mouth.

There she was arse fucking, cunt fucking and cock sucking at the same time. What a horny, hot, sexy bitch! I worked my cock deep into her mouth as she brought herself off.

I talked dirty to her as I listened to her moan.

I leaned over her and slipped the other dildo into her cunt, so she had one in the arse and one in the cunt.

I know that is her absolute favourite thing.

I rammed her cunt while she rammed her arse, screaming and swearing.

As she was about to cum I flipped her round and sunk my cock into her doggy-style.
